You may order the **CABINS** with either a **4'** or **6' PORCH**

SHUTTERS and **FLOWER BOXES** are optional.

The **PORTABLE CABINS** are for those who want a movable and affordable lakeside cabin or getaway. Many people also just simply like the looks of the cabin for backyard storage or garden spots. The porch on the front makes this building a favorite for many people. A swing may be added to the porch. This building makes a very affordable office for a small business as well. The Portable Cabin is also available in the **LOFTED STYLE** for those who like the barn style roof.
