Rent-To-Own Available

QUALITY YOU CAN TRUST

H & S Portable Buildings

Portable Buildings
Catalog - Summer 2025

THINGS YOU NEED TO KNOW BEFORE YOU BUY

Site Preparation

You (The customer) are responsible for leveling blocks. (A great rule to go by is 1 block per foot for 8' and 10' wide buildings, and 2 blocks per foot for 12', 14', and 16' wide buildings) This number can vary depending on how level your site is.

For Buildings elevated to 2 blocks high, double the amount of blocks.

Inadequate blocks may result in voided warranty.

4-in W x 8-in H x 16-in L Concrete Block

Warranty

Our 5 Year Craftsmanship warranty covers material defects and craftsmanship errors. Normal aging of materials, paint fade, fire or storm damage is excluded. Warranty also does not cover damages occurred after delivery or set up of unit unrelated to the quality or construction of material. Warranty start date is found in the last 6 digits of the serial number. To make a claim, customer must have serial number of unit and also be the original owner or purchaser. H&S Portable Buildings reserves the right to determine if each or all claims are warranty related.

Permits

H & S Portable Buildings is not responsible for any building permits and homeowners association rules and covenants.

Customer will be responsible for obtaining any permits, licenses and right of ways to property.

Tiny Homes

We do not provide engineered plans for our sheds so it is your responsibility to check your local rules and state regulations to make sure those aren't required before purchasing a tiny home shell.

Deliveries

Free delivery and set up within 50 miles from any **H & S Portable Buildings** dealer. Over 50 miles, additional mileage charges will apply. Customer will be responsible for any obstructions including fences, trees, ditches etc. **H & S Portable Buildings, H & S Deliveries, or any associated parties, or companies** are not responsible for any damages to yards, driveways or underground utilities or pipelines. Please allow up to 3-6 weeks to be contacted for delivery on all new order buildings. Buildings with electrical and customization, may take additional time to ensure we provide you with the best quality.

Rent To Own

Rent to own is available on most units in 24, 36, 48, and 60 month installments with low down payments, no credit check, and a 90 days same as cash option.

BUILDING FEATURES

4x6 Ground Skids Notched and Pressure Treated

2x6 Exterior Grade Floor Joists every 16"

(8' wide buildings have 2x4 exterior grade floor joists every 16")

5/8" LP Shed Floor with SmartFinish

3/8" LP Smartside Painted or Stained (no additional charge)

10-Year Non-Fade Haley Paint Guarantee

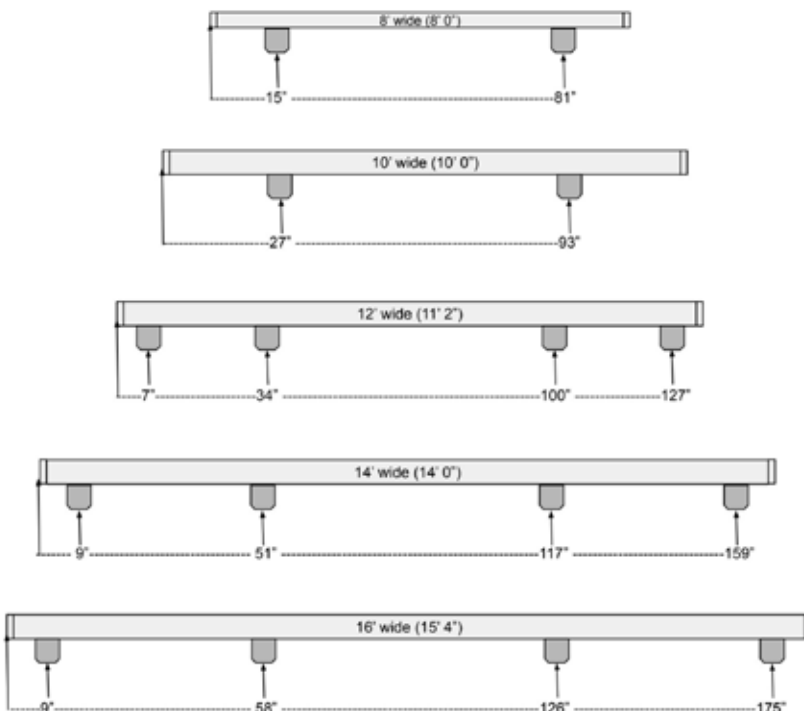

Premium 2x4 Studs every 16"

29 Gauge Steel Roofing with a 40 Year Factory Warranty

All Ridges are Vented and Screened to Prevent Rodents

Double Top Plated Walls

BUILDING FLOOR WIDTHS

DIMENSIONS

Due to D.O.T. regulations our 12' and 16' wide buildings are labeled with nominal values that are not the exact measurements of the interior or exterior widths.

STUDIO SHED
