

Satisfaction. Quality. Assurance.

Satisfaction is always guaranteed.

LuxCraft Poly Furniture is low-maintenance and can remain outside all year round. Spend your time enjoying your patio and deck furniture, not repairing or staining it.

Give us the chance to serve your decorating needs, and we guarantee you'll be satisfied.

Quality is our number one goal.

What makes LuxCraft endure the seasons? Our craftsmen never cut corners. For example, we reinforce our swings, gliders, and benches with aluminum angle braces. We make our own heavy-duty swivels and assemble all of our products with 316-grade stainless steel hardware. In addition, our porch swings come with a stainless steel chain rated at 800 pounds per side.

Assurance you can count on us.

LuxCraft furniture comes with a residential lifetime limited warranty or a commercial 5-year limited warranty covering any defective product or part. All you need to do is sit back and relax in your new outdoor oasis.

What Is LuxCraft Poly?

Crafted for Comfort, Crafted to Last

Experience quality craftsmanship without a care in the world.

Learn more about the LuxCraft difference.

Environmentally Friendly

LuxCraft Poly is made of High Density Polyethylene (HDPE), a recyclable plastic derived from post-consumer waste such as milk and detergent bottles. This material is cleaned in a decontamination process to a **purity level of over 99% HDPE**, then compounded into solid board stock material. The resulting product **contains over 90% recycled post-consumer waste** by weight.

Will Not Deteriorate

LuxCraft Poly is exceptionally resistant to **moisture, insects, splintering, warping**, and other hazards of environmental exposure common to wood or wood fiber composite products.

UV Stabilized Color

We use **only high color stability UV pigment systems**, which minimize material breakdown from prolonged sun and weather exposure.

Essentially Maintenance-Free

Requires no waterproofing, staining, or other similar recurring maintenance other than an occasional washing with soap and water or our **Poly Furniture Cleaning Kit**.

Stainless Steel Fasteners

All LuxCraft products are assembled with **316-grade stainless steel hardware** for optimum durability. Stainless steel is corrosion and stain resistant, which ensures its brilliant shine will last for years to come with very little maintenance.
